

TOBIAS ALVAREZ

SOFTWARE DEVELOPER

tosal1099@gmail.com · (+54) 3814462981 · [Portfolio](#) · [LinkedIn](#) · [GitHub](#)

Hi, I'm Tobias, a software developer with 1 year of experience in React, specializing in FullStack projects (MERN). I excel in soft skills and teamwork, and I'm passionate about creating aesthetically pleasing apps. Let's build something amazing! In my free time, I develop applications with React Native, exploring the world of mobile app development and refining my skills in crafting efficient and user-friendly interfaces.
